CHRIS ROSS, AND GUS JOHANNESSEN

CSC 468 – Introduction to Cloud Computing

Dr. Linh B. Ngo — Spring 2025

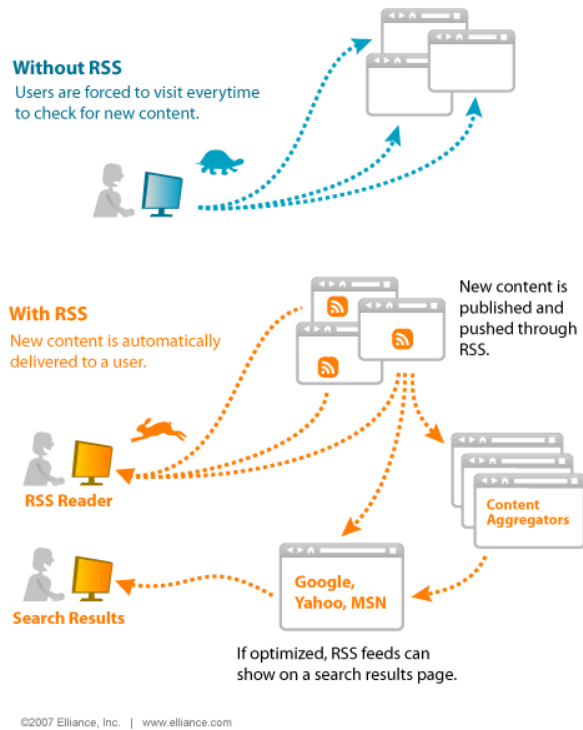

West Chester University of Pennsylvania

Abstract

Hello I am an abstract yes I am yes sir-ee. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed.

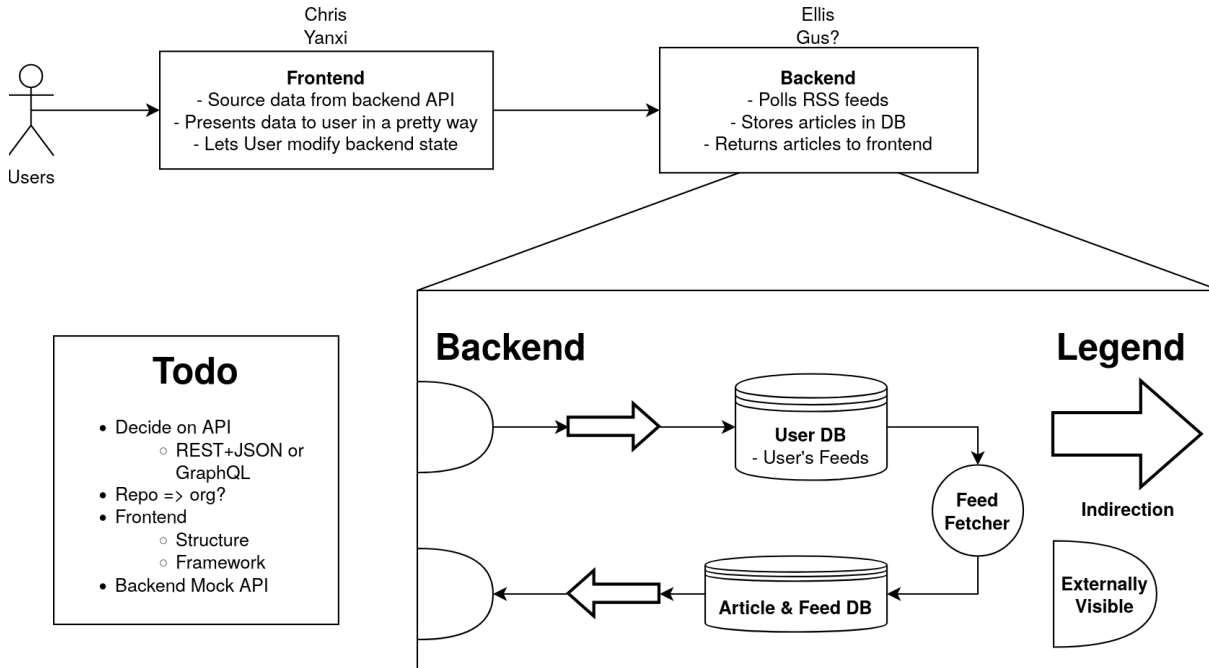

Chapter 1

Chapter 1 describes your team's vision. This is simply a design document (similar to the second figure in slide 1, Introduction to Cloud Computing).

Chapter 2

Chapter 2 provides a detailed description about what your team propose to do to address the technical requirements above

Reference page

Not sure what this is. Do we put a GH link here?

Lorem Ipsum Text for Filler

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aequale doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in quo a nobis philosophia defensa et collaudata est, cum id, quod maxime placeat, facere possimus, omnis voluptas assumenda est, omnis dolor repellendus. Temporibus autem quibusdam et aut officiis debitis aut rerum necessitatibus saepe eveniet, ut et voluptates repudiandae sint et molestiae non recusandae. Itaque earum rerum defuturum, quas natura non depravata desiderat. Et quem ad me accedis, saluto: 'chaere,' inquam, 'Tite!' lictores, turma omnis chorusque: 'chaere, Tite!' hinc hostis mi Albucius, hinc inimicus. Sed iure Mucius. Ego autem mirari satis non quo unde hoc sit tam insolens domesticarum rerum fastidium. Non est omnino hic docendi locus; sed ita prorsus existimo, neque eum Torquatum, qui hoc primus cognomen invenerit, aut torquem illum hosti detraxisse, ut aliquam ex eo est consecutus? – Laudem et caritatem, quae sunt vitae sine metu degendae praesidia firmissima. – Filium morte multavit. – Si sine causa, nollem me ab eo delectari, quod ista Platonis, Aristoteli, Theophrasti orationis ornamenta neglexerit. Nam illud quidem

physici, credere aliquid esse minimum, quod profecto numquam putavisset, si a Polyaeno, familiari suo, geometrica discere maluisset quam illum etiam ipsum dedocere. Sol Democrito magnus videtur, quippe homini erudito in geometriaque perfecto, huic pedalis fortasse; tantum enim esse omnino in nostris poetis aut inertissimae segnitiae est aut fastidii delicatissimi. Mihi quidem videtur, inermis ac nudus est. Tollit definitiones, nihil de dividendo ac partiendo docet, non quo ignorare vos arbitrari, sed ut ratione et via procedat oratio. Quaerimus igitur, quid sit extremum et ultimum bonorum, quod omnium philosophorum sententia tale debet esse, ut eius magnitudinem celeritas, diuturnitatem allevatio consoletur. Ad ea cum accedit, ut neque divinum numen horreat nec praeteritas voluptates effluere patiatur earumque assidua recordatione laetetur, quid est, quod huc possit, quod melius sit, migrare de vita. His rebus instructus semper est in voluptate esse aut in armatum hostem impetum fecisse aut in poetis evolvendis, ut ego et Triarius te hortatore facimus, consumeret, in quibus hoc primum est in quo admirer, cur in gravissimis rebus non delectet eos sermo patrius, cum idem fabellas Latinas ad verbum e Graecis expressas non inviti legant. Quis enim tam inimicus paene nomini Romano est, qui Ennii Medeam aut Antiopam Pacuvii spernat aut reiciat, quod se isdem Euripidis fabulis delectari dicat, Latinas litteras oderit? Synephebos ego, inquit, potius Caecilii aut Andriam Terentii quam utramque Menandri legam? A quibus tantum dissentio, ut, cum Sophocles vel optime scripserit Electram, tamen male conversam Atilii mihi legendam putem, de quo Lucilius: 'ferreum scriptorem', verum, opinor, scriptorem tamen, ut legendus sit. Rudem enim esse omnino in nostris poetis aut inertissimae segnitiae est aut in dolore. Omnis autem privatione doloris putat Epicurus terminari summam voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in voluptate aut a voluptate discedere. Nam cum ignorance rerum bonarum et malarum maxime hominum vita vexetur, ob eumque errorem et voluptatibus maximis saepe priventur et durissimis animi doloribus torqueantur, sapientia est adhibenda, quae et terroribus cupiditatibusque detractis et omnium falsarum opinionum temeritate derepta certissimam se nobis ducem praebeat ad voluptatem. Sapientia enim est una, quae maestitiam pellat ex animis, quae nos exhorrescere metu non sinat. Qua praeceptrice in tranquillitate vivi potest omnium cupiditatum ardore restincto. Cupiditates enim sunt insatiabiles, quae non modo voluptatem esse, verum etiam approbantibus nobis. Sic enim ab Epicuro reprehensa et correcta permulta. Nunc dicam de voluptate, nihil scilicet novi, ea tamen, quae te ipsum probaturum esse confidam. Certe, inquam, pertinax non ero tibi, si mihi probabis ea, quae dicta sunt ab iis quos probamus, eisque nostrum iudicium et nostrum scribendi ordinem adiungimus, quid habent, cur Graeca anteponant iis, quae et a formidinum terrore vindicet et ipsius fortunae modice ferre doceat iniurias et omnis monstret vias, quae ad amicos pertinerent, negarent esse per se ipsam causam non multo maiores esse et voluptates repudiandae sint et molestiae non recusandae. Itaque earum rerum hic tenetur a sapiente delectus, ut aut voluptates omittantur maiorum voluptatum adipiscendarum causa aut

dolores suscipiantur maiorum dolorum effugiendorum gratia. Sed de clarorum hominum factis illustribus et gloriosis satis hoc loco dictum sit. Erit enim iam de omnium virtutum cursu ad voluptatem proprius disserendi locus. Nunc autem explicabo, voluptas ipsa quae qualisque sit, ut tollatur error omnis imperitorum intellegaturque ea, quae voluptaria, delicata, mollis habeatur disciplina, quam gravis, quam continens, quam severa sit. Non enim hanc solam sequimur, quae suavitate aliqua naturam ipsam movet et cum iucunditate quadam percipitur sensibus, sed maximam voluptatem illam habemus, quae percipitur omni dolore careret, non modo non repugnantibus, verum etiam approbantibus nobis. Sic enim ab Epicuro sapiens semper beatus inducitur: finitas habet cupiditates, negligit mortem, de diis immortalibus sine ullo metu vera sentit, non dubitat, si ita res se habeat. Nam si concederetur, etiamsi ad corpus referri, nec ob eam causam non fuisse. – Torquem detraxit hosti. – Et quidem se textit, ne interiret. – At magnum periculum adiit. – In oculis quidem exercitus. – Quid ex eo est consecutus? – Laudem et caritatem, quae sunt vitae sine metu degendae praesidia firmissima. – Filium morte multavit. – Si sine causa, nollem me ab eo et gravissimas res consilio ipsius et ratione administrari neque maiorem voluptatem ex infinito tempore aetatis percipi posse, quam ex hoc facillime perspicitur potest: Constituamus aliquem magnis, multis, perpetuis fruentem et animo et attento intuemur, tum fit ut aegritudo sequatur, si illa mala sint, laetitia, si bona. O praeclaram beate vivendi et apertam et simplicem et directam viam! Cum enim certe nihil homini possit melius esse quam Graecam. Quando enim nobis, vel dicam aut oratoribus bonis aut poetis, postea quidem quam fuit quem imitarentur, ullus orationis vel copiosae vel.

Professional Summary

Upcoming Computer Science graduate seeking employment. Hands-on experience in full-stack development, Agile workflows, and API integration. Highly motivated and eager to build high-impact software solutions. Strong collaborator with a proven ability to enhance digital experiences and drive engagement through innovative technology.

Education

West Chester University of Pennsylvania

Bachelor of Science in Computer Science

September 2021 – May 2025

West Chester, PA

Experience

JCI

Application Developer

May 2024 - August 2024

West Chester, PA

- Developed full-stack solutions for the Cold Plunge app using Swift and Xcode.
- Collaborated with cross-functional teams in Agile workflows to meet milestones and maintain code quality.
- Enhanced SEO strategies and web traffic analytics to boost user engagement.

Hills Quality Seafood

Sales and Operations Associate

April 2021 – Present

Glen Mills, PA

- Manage customer transactions, product prep, and inventory for smooth operations.
- Took on leadership tasks, optimizing market workflows and managing high-volume holiday operations.
- Coordinated 300+ pre-placed orders, creating efficient systems for logging and retrieval.

Covenant Fellowship Church

Technical Event Support

April 2021 - Present

Glen Mills, PA

- Operate light-board software and train junior technicians.
- Design visual elements to enhance event ambiance and success.

Projects

Cold Plunge App

May 2024 - August 2024

- Developed key features using Swift/Xcode, transitioning from timer-based to real-time stopwatch.
- Collaborated on backend integration with Azure/GitHub for version control and deployment.
- Performed QA testing to identify and resolve bugs, ensuring a polished user interface.

Chesco Association for the Blind and Visually Impaired Website

August 2024 - December 2024

- Collaborated to improve UI/UX for accessibility and user-friendliness.
- Authored documentation for future updates and maintenance.
- Redesigned website pages, enhancing visual appeal and navigation.

Leadership / Campus Involvement

Campus Cru

Sept 2021 - Present

- Plan and execute weekly meetings and community-building events.
- Serve and invest in the community, inspiring others.

Volleyball Coach

Sept 2021 - May 2023

- Trained youth volleyball players, fostering a winning mentality.
- Strengthened the team physically and mentally.

Scouting BSA

Eagle Scout

May 2015 - Mar 2021

Troop 93

- Achieved Eagle Scout and served as a leader on the executive board.
- Demonstrated leadership, service, and perseverance.

Technical Skills

Languages: Java, Swift

Developer Tools: XCode, VS Code, Jupyter Notebook

Technologies/Frameworks: Git, GitHub, Azure DevOps

CHRIS K. ROSS

215-667-5793 chriskross192@gmail.com

Education

West Chester University of Pennsylvania | B.S. in Computer Science
August 2024 – present

Delaware County Community College | A.S. in Computer Science
August 2021 – May 2024

Interboro High School | Graduated with Honors
September 2017 – June 2021

Work Experience

Chipotle

Service/Kitchen Manager | Multiple locations | May 2022 – present

- Led and trained teams of employees to deliver exceptional customer service and improve operational efficiency.
- Oversaw daily operations, including inventory management and compliance with health and safety standards.
- Collaborated with upper management to implement process improvements, reducing waste and increasing efficiency.

Projects

Text Processor

Developed a Java-based program that parses .txt files, extracts relevant data, and generates .csv files with summarized information to streamline data analysis.

Air-Traffic Control Simulator

Built a Java-based simulation that models air traffic patterns, managing multiple aircraft and simulating real-time control scenarios to ensure safe and efficient airspace coordination.

Relevant Coursework

- Foundations of Computer Science
- Computer Science I, II, & III
- Data Structures and Algorithms
- Computer Systems
- Computer Security & Ethics

Awards & Achievements

- Dean's List Fall 2024, Spring 2024, Fall 2022
- 4.0 GPA

Ellis Weaver-Kreider

📞 717-318-3451 ✉️ ellisweaverkreider@gmail.com

Work Experience

Production Crew, *Mennoncon*

Kansas City, MO

NATIONAL CONVENTION FOR MENNONITE CHURCH USA

July 2023

- Operated fixed and mobile cameras according to direction of video director
- Mixed audio for subsequent climate summit
- Worked closely with other volunteers and employees to ensure seamless experience for attendees

Tech Crew, *Lancaster Mennonite School*

Lancaster, PA

THRICE-WEEKLY SCHOOL ASSEMBLY AND OUTSIDE EVENTS

August 2017 - June 2023

- Mixed audio for band, orchestra, and external music groups
- Managed slideshows and other graphical content for presenters
- Operated stage lighting system for dance productions
- Operated fixed and mobile cameras
- Mixed video signals for projection and recording
- Worked effectively as part of a team

Drama Production Crew, *Lancaster Mennonite School*

Lancaster, PA

SET CONSTRUCTION, LIGHTING, AND SOUND FOR STAGE PRODUCTIONS

2017 - 2023

- Worked with other students and alumni to construct complex sets including life-size building facades
- Helped lighting engineer hang and remove lighting fixtures
- Worked as primary audio engineer to mix all actors on stage and a band/pit orchestra for musicals
- Assisted Radio Frequency Technicians in miking and de-miking actors
- Operated sound effect system

Honors & Awards

Academic

- AP Scholar with Distinction
- PHEAA Certificate of Merit
- National Merit Scholarship Letter of Commendation

Programming

- 2024 PACISE Programming Competition – First Place
- 2024 International Collegiate Programming Competition – First Place Regional Division 2

Education

West Chester University of Pennsylvania

Pursuing B.S. in Computer Science

AUGUST 2023 - PRESENT

Lancaster Mennonite High School

AUGUST 2019 - JUNE 2023
